1200 25th Avenue South
St Cloud, Minnesota 56302

Dear Heidi:

On behalf of the Minnesota Economic Development Foundation I would like to thank the Economic Development Association of Minnesota for its \$5,000 investment. The Foundation is very excited about working closer with EDAM to advance Economic Development education in Minnesota.

The Foundation can assist EDAM members seek International Economic Development Council (IEDC) certification, National Development Council certification and recertification, and attend the IEDC Basic Economic Development Course at the University of Minnesota Duluth.

I have asked Adam Kienberger to schedule the first meeting of the EDAM and Foundation work group we spoke of. I anticipate this meeting taking place in April.

Do not hesitate to contact me at 612 308 2577 or pconnoy@hutman.net.

Sincerely,

Patrick Connoy
Chair
